Post-Doctoral & Visiting Students

JHU Student Health & Wellness Center (SH&WC)
Immunization & Pre-Entrance Health Requirements

WELCOME NEW STUDENTS!

If you are post-doctoral or visiting student entering JHU in 2011 and you wish to utilize the services of the JHU Student Health & Wellness Center while you are a student here, you are required to provide proof of immunity to certain communicable diseases & to complete the required pre-entrance health forms. Please contact Ms. Linda Zeigler, Administrative Assistant, at 410-516-5211. Ms. Zeigler will enter your demographic information and assign you an ID that will allow you to be integrated into our database so you can complete the three steps below.

You must complete all three of the following requirements:

1. Immunization Record & Consent to Medical Procedure/Medical Insurance Information forms
**Schedule an appointment with your health care provider to complete and sign the immunization form; keep a copy for your records and mail the original forms to JHU.

2. Online JHU Student Health Portal:

A. To register with the PyraMED Health Web Portal you will need the following information to receive your secure password and logon to the web portal:

ID assigned by the SH&WC to allow you to access the web portal

Email address: The password needed to enter the web portal will be sent to the e-mail address you provide when completing your health portal registration. We prefer you use your JHU e-mail, but if you have not set up your JHU account, you can use your personal e-mail address.

B. Once registered, please complete the PRE-ENTRANCE IMMUNIZATION AND PRE-ENTRANCE MEDICAL HISTORY forms. A copy of your immunization dates is needed to complete your online immunization form.

STEPS 1 AND 2 MUST BE COMPLETED; OTHERWISE, YOU WILL NOT HAVE ACCESS TO THE STUDENT HEALTH & WELLNESS CENTER.

3. The Registrar's Office requires proof of Health Insurance by enrolling in the JHU school-sponsored plan or, waiving out of the plan by providing the Registrar's Office with your current insurance information which must be comparable to the JHU Student Health Insurance Plan. Click this link to learn more about JHU's Student Health Insurance requirements. Registrar's Office.

Please be sure you meet our immunization requirements and have entered your information into the **SH&WC's PyraMED Health Web Portal**. The Student Health & Wellness Center can assist you with this process; however, because completion of these forms is a pre-entrance requirement, you will be charged a health form completion fee if we complete your forms.

There is a fee of $85.00, plus the cost of any necessary vaccines, to complete your pre-entrance health requirements on campus.
